## questions to ask your youth

Our theme this month is BE LOVED. February is when the world teaches us love and romance is everything. The Bible tells us something similar, but also profoundly different.

- 1) Why do you think people want love?
- 2) In your own words how does God show love to you?

**Fri 8 March 7-9:30pm Elim Gloucester**  
Gloucester youth groups converge to have a fun event for all to celebrate easter with fun, food and games! Great event to invite friends! Details and sign up soon at [stastb.church/youth](http://stastb.church/youth)

## pray to & praise God with us!

- **Schools Ministry.** This term is when we launch our CUs in **Chosen Hill School** and **Churchdown School Academy**. Big thanks to all who supported and God bring us teachers to partner with! Pray for young people to step up to lead especially in Chosen Hill.
- **New Leaders.** Recently have had 3 new adults going through the process of being leaders with us. Pray they would be a great fit in the team!
- **Loft Refresh.** After weeks of renovation and clearing, and a huge grant from the church, the youth have now an updated place to connect and grow. We're grateful!
- **Young Leaders Programme.** Happy to have had Barrie V. From the Diocese lead our first two lesson. Eager to continue in the next few months! Pray it continues to spark leadership among our young people from all over!
